<b>NOTES:</b>	
<i>1 Active Participants will include closed participants whose plans have not ended yet but will in the near future</i>	
<i>2 Participants in 'Funding Opportunity' status are counted towards the waiver where they will have a plan , not necessarily the original waiver when placed on wait list</i>	
<i>4 In May 2017 a deficiency in the logic for 'Active Participants' totals was discovered. A change was made which added more active participants to each total</i>
